# ALL THAT GLITTERS

1. There's a reason **Dilys'** has been the go-to jeweller for Hong Kong's design-loving upper crust for three decades. They're especially known for their exquisite high jewels, designed for a glittering good time. Set in 18K gold and reminiscent of old Hollywood glamour, these diamond drop earrings are now available globally on [www.1stdibs.com](http://www.1stdibs.com)
2. **Anna Lubomirska's** passion of painting and sculpture drew her into the world of jewellery design. Therefore, each project is created with attention to the original form and perfect detail. These 18ct earrings from the Odette collection are available with diamonds and central mounted sapphires or emeralds. A collection inspired by Tchaikovsky Swan Lake ballet. Visit [www.annalubomirska.com](http://www.annalubomirska.com) and follow @annalubomirska on Instagram.
3. **FULLORD**. Ghost Ring in 18 carat white gold with full pavé diamonds. The ghost ring features a minimal yet complex design that combines a rounded square outside with a circular inside giving life to unique volumes and proportions. Its iconic shape makes the ghost ring unusual and classic at the same time. Made in Italy. Visit [www.fullord.com](http://www.fullord.com) Instagram: @fullordgeneva
4. **J. Le Renard Jewellery** by Latvian jeweller-gemologist Julija Kozarjonoka offers sophisticated and timeless design, using classic patterns, textures and precious stones that inspire. The atelier's team creates custom design jewellery and can rework your old jewellery into new designs. Discover more on [www.jlerenard.com](http://www.jlerenard.com) and follow @jlerenardjewelry
5. **Cupid & Rosie** is a Dubai-based fine jewellery brand crafting 18k solid gold made-to-order pieces that are inspired by nature and the arts. Their jewellery is designed to become treasured heirlooms that will be passed on the next generation, taking on new stories with the old. Visit [www.cupidandrosie.com](http://www.cupidandrosie.com) and follow @cupidandrosie on Instagram.
6. **VOW Jewellery London** creates bespoke engagement rings and fine jewellery, designed to celebrate life's most meaningful moments. Based in London, their pieces are timeless and contemporary, and their sophisticated settings enhance the natural beauty of each stone. Using specialist sourcing for their diamonds and gemstones, VOW ensures all clients end up with "The One". Pictured here is their Asscher shaped diamond octagon ring with bespoke cut tsavorite. Shop other pieces from their stunning collection at [vowjewellery.com](http://vowjewellery.com) email [info@vowjewellery.com](mailto:info@vowjewellery.com) and follow on Instagram @vowjewellery
7. **Isabel Alexander** creates jewellery for women who love to stand out in a sophisticated manner every day and everywhere. Handcrafted with care out of luxurious and ethically sourced materials, the jewellery is available in 14 karat or 18 karat yellow, rose or white gold. For US orders check [www.isabelalexander.us](http://www.isabelalexander.us) and worldwide deliveries check [www.1stdibs.com](http://www.1stdibs.com)
